Voting will open on Tuesday, May 12, 2015 for the 2015-2016 LSP Association (LSPA) Board of Directors. Board positions will take effect July 1, 2015.

Ballots will be sent by email to all LSPA members, both Full and Associate. We encourage all members to vote.

The LSPA's 9-member Board of Directors is composed of LSPA members who combine experience in environmental work with a passion for supporting and promoting the LSP practice. Current LSPA Board members are listed [here](#).

Provided below are the candidates on this year's ballot. There were no members who petitioned to be on the election ballot.

Three 3-year positions, 2015 - 2018:

- Mike Billa, Director of Remediation and Assessment at Tetra Tech in Framingham, MA.
- Susan O'Brien, Senior Project Manager at Amec Foster Wheeler in Chelmsford, MA.
- Michael Penzo, Consulting Hydrogeologist for Penzo Consulting in Newton Upper Falls, MA.

The Board of Directors believes that these three candidates have demonstrated their commitment to the Association and are well-positioned to ensure its continuing success.
