

MassDEP/LSP ASSOCIATION CONTINUING EDUCATION SEMINAR

Tuesday, May 4, 2010, Westford Regency Inn & Conference Center, Westford, MA

Thursday, May 13, 2010, Holiday Inn & Conference Center, Taunton, MA

DESCRIPTION: *The Revised CAM: What You Need to Know* workshop is designed for Licensed Site Professionals and other technical staff who conduct response actions under the Massachusetts Contingency Plan. It will cover recent revisions to MassDEP's Compendium of Analytical Methods (CAM). The CAM, which went into effect in August 2003, is a compilation of commonly used analytical protocols that articulates quality control provisions, performance standards, and other methodological elements necessary for achieving "Presumptive Certainty" for satisfying the data quality requirements of the MCP.

Please note that LSPs who took this course for CEU credit at the UMass Soils Conference (10/09) are not eligible to take the course again.

*This course has been approved by the LSP Board for 4 hours of LSP "DEP/Regulatory" continuing education credits (Course #1388). This is a **repeat** course that was previously held on December 16, 2009.*
